1917 in Contemporary Russian Memory

Freitag, 04. Mai 2018

15:00 Uhr

im Hörsaal des Instituts für Osteuropäische Geschichte

Alexey Miller made his name with books on Russian imperial history. He is also one of the leading Russian specialists in the field of memory studies. He will talk about commemoration of the centennial of the Revolution of 1917 in Russia, where anti-revolutionary mood dominates today.
